

WISH YOU WERE HERE?

Spend your spring in beautiful, historic Brunnenburg, Italy!

The semester-long trip is part of Greensboro College's study abroad partnership with Guilford College. Greensboro College's Dr. Dan Malotky will be your guide as faculty leader.

The Brunnenburg trip is the nation's #2 study abroad experience. And the trip is financial aid eligible. The cost is roughly the cost of a full residential semester at Greensboro College plus airfare.
