Graduate Ready For Anything.

“EXPERIENCE IS THE TEACHER OF ALL THINGS”—EXPLORE AND PREPARE FOR POTENTIAL CAREER OPPORTUNITIES.

The Office of Career and Personal Development at Greensboro College supports the personal, educational, and professional growth of students, empowering them with the skills and knowledge to make a positive impact wherever they live and work.

During their first-year experience course, students are introduced to the importance of career development and the resources available to them. During their sophomore year, students engage in self-reflection, allowing them to identify their strengths, personal values, and interests, and learn to use available resources for thoughtful and intentional exploration of careers and majors as they chart their path to a bright future.

At Greensboro College, 99% of all students graduate with experiential learning experience, with internships being the most common form, allowing students to connect what they learn in the classroom to real world settings as they explore potential career fields and further develop professional skills and industry knowledge.

From hospitals to local sports teams and wealth management firms to police departments, and even the NC State Bureau of Investigation, Greensboro's status as the third-largest city in North Carolina and proximity to other major cities offers students a multitude of opportunities for all majors.

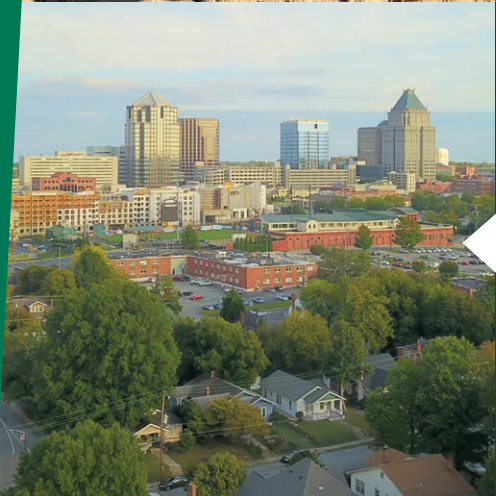

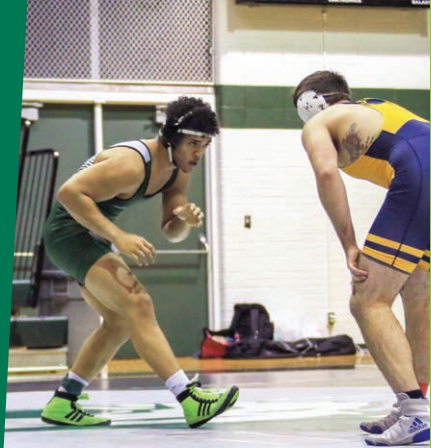

Jump into a whole new **you** and get involved.

LET'S BE REAL. SOME OF YOUR BEST COLLEGE MOMENTS WILL HAPPEN OUTSIDE THE CLASSROOM.

Your passions have a home here. Our **many campus activities, inclusive clubs**, and high-energy **athletics** (Division III and intramural) allow you to explore what interests you and make great friends along the way.

From running for Student Government to winning prizes at the school carnival, you will have many opportunities to get involved and have fun outside of the classroom! The Department of Student Activities and Residence Life hosts multiple events throughout the year like cookouts, "food truck rodeos", gameshow nights and more.
