

James Addison Jones Library

LIBRARY RESOURCES AND SERVICES

Collection Resources

Hundreds of thousands of books, e-books, scholarly articles, videos, and more! If we don't have what you're looking for, we will request it from another library, free of charge!

Study Rooms & Carrels

Email us to reserve a room in advance or walk in and check out the key from the front desk. Study carrels are available first come, first served!

Library Technology

Access to desktop iMac and Windows computers, copier, scanner, wireless internet, and printer during hours of operation. Laptops can also be checked out for use each semester.

Research Consultations

Librarians can assist you in the research process by helping you locate sources, identify a topic, check citations, and more! Email us at library@greensboro.edu to set up a virtual or in-person appointment.

Library Events

At least once per month, the Library hosts events and activities to support the students at Greensboro College. Some past examples include Trivia Night, Adopt a Plant, Final Exams Pet Therapy, and more. Follow us on social media to stay up to date on library programming!
